

"A Time of Darkness"

I hope the day will soon
come, when I shall wake, and
the pain and sorrow I now am
feeling, will be forever forgotten.

Those last weeks have been
pure HELL!! The marks that have
been left, shall not soon disappear!!

I long for the days of sun-
shine and smiles. Hoping ^{that}
those clouds of darkness will soon
disappear. And like the fog, lift
and make room for the sunshine,
light!!

Shining over so brightly; long
as the endless summer days, do
soon at times!!
